Third All-SystemsX.ch-Day on November 18, 2009 in Bern

Zürich, 02.02.09. AK. We are pleased to announce that this year's All-SystemsX.ch-Day 2009 is hosted by University of Bern and will take place on **November 18, 2009** at the "Inselspital" in Bern. As guest speaker, science historian Prof. Ernst Peter Fischer is invited. More information will be available on our website soon.

2nd Call generates 57 Proposals

Zürich, 20.01.09. AK. The Second Call for SystemsX.ch Proposals generated 19 Research, Technology and Development (RTD) Project proposals from 8 different hosting institutions. Besides, 22 Interdisciplinary PhDs (IPhDs) and 16 Interdisciplinary Pilot Projects were submitted. The SNSF panel reviews the RTDs on April 27/28, 2009. A preliminary decision will be available in May.
